

Myofascial Mastery ACADEMY

Fascial Connections

April 5 & 6, 2019 in Argyle, TX (North Dallas)

Located at Sanctuary of Miracles

***Frustrated and looking for an easy way to
release tight tissues that won't let go?***

***Want clients who are inspired to book more
sessions because they feel results?***

Is your own body hurting more than your clients?

***This seminar will teach myofascial evaluation and treatment techniques
that make it easier on you with more effective results.***

***Learn how to unravel the rotational
fascial restrictions that cause pain.***

***Become proficient in cutting edge,
powerful Energy Activation
Techniques™ that create a quicker
response rate for functional outcomes***

***A seminar so you can progress your
professional skills, earn your CEUs and
get yourself treated too.***

15 CEUs NCBTMB approved

Lori Zeltwanger, PT

Lori has been a leader in Myofascial Release for 30 years, with more than a decade teaching with John F. Barnes, training therapists internationally and treating thousands of patients with chronic pain.

She is considered to be one of the leading myofascial release therapists in the world and teaches these important concepts from a feminine perspective, which makes your work as a therapist more effective and so much easier on your body.
